

April 2009 Newsletter

FOR YOUR DIARY

Saturday 25 April Open Day, 1pm. Why not bring some newcomers to sailing? Trial sails in the bay for those considering taking up sailing. If you like it, you can sign up for RYA training courses to help you learn to sail. Bring a towel, windproof or waterproof outer clothes and a change of clothing.

Volunteers to help are very welcome, contact Mike Goodall re on water or Chris Clow re onshore. The Open Day is a good way to recruit more new members, so on the day please chat to newcomers and share your experience of sailing.

Sunday 26 April Extraordinary General Meeting, 5.30 pm. To update Constitution para re open membership, so that PSC is able to apply for grants. Please support the club by attending, it will be short.

Sat/ Sun 2/3 May. Tartan Trophy. Sign up to enter at www.tartanmarine.com/tartantrophy. Signing up will help us forecast numbers, hence rescue boat numbers etc. We hope that all members will either sail in the event, or be volunteers. Contact Chris Clow to volunteer.

Thursday 7 May. First Thursday night race.

Saturday 9 May. Start of training/ cadet activities.

Thurs 14 May. Start of Handicap series

There has been racing on all three Sundays so far, with summery temperatures on the last two Sundays. Many members have been out cruising too, and new boats are appearing in the compound every day. So come and join in the weekends' activities. Thursday night racing starts soon, on 7th May, and members will start Tuesday night sailing anytime now.

In order to allow members to more easily arrange duty swaps, we plan to put a list of members' names with phone numbers on the notice board. Anyone who wishes their number to be omitted from the list should let me know.

Yours,

Alan Henderson
Secretary
